

# Consequences of Cyber-bullying

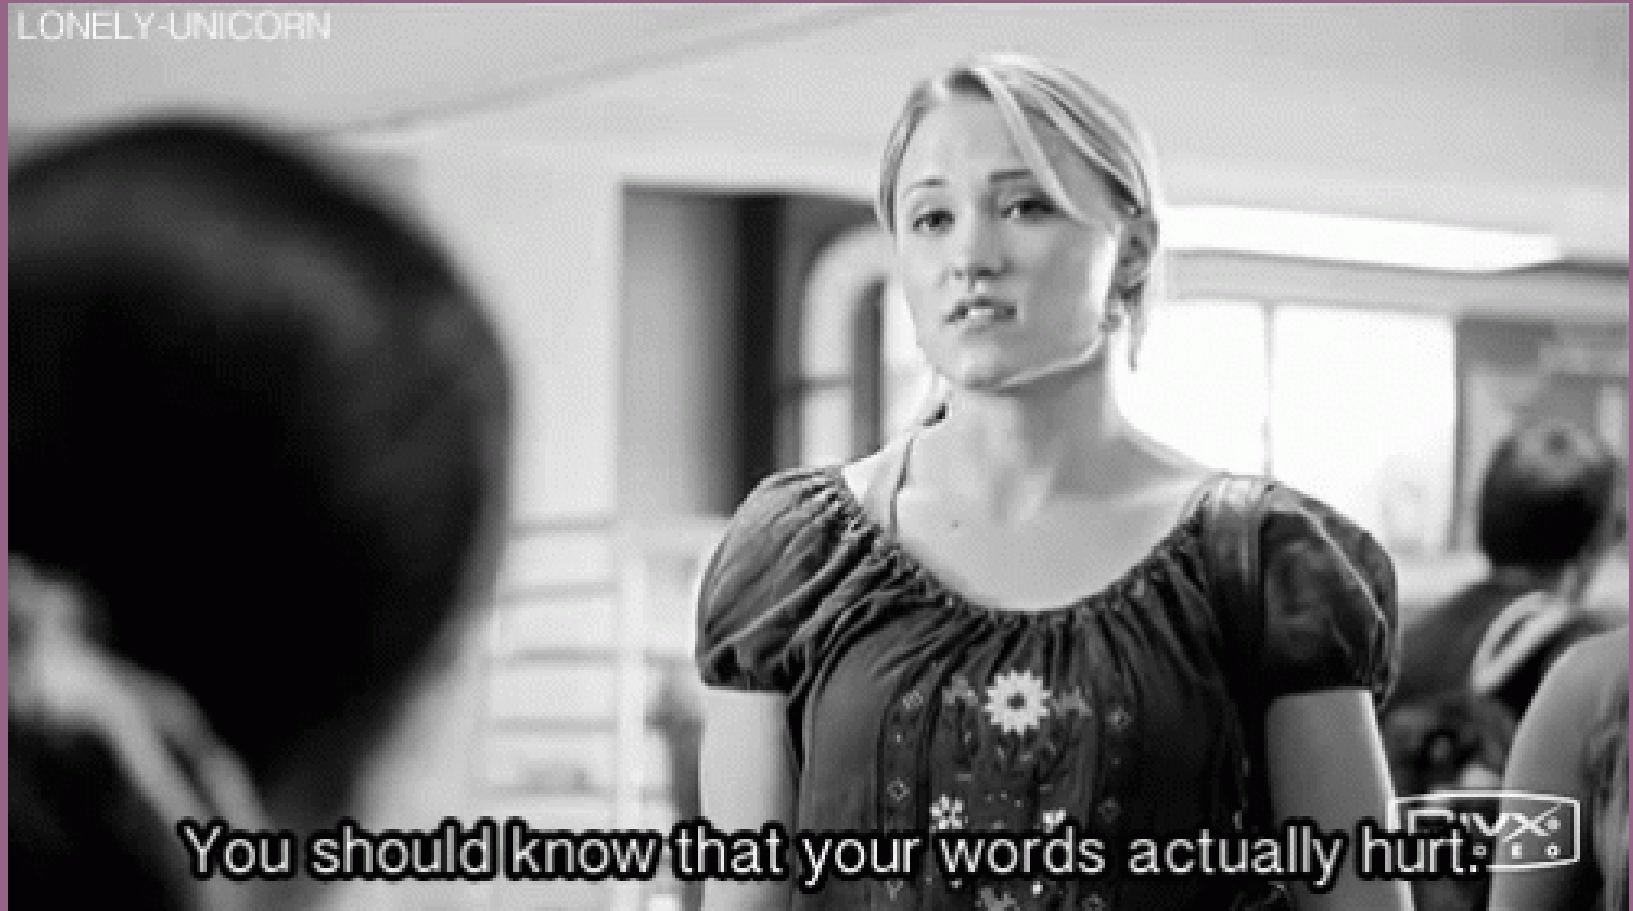

# Consequences to the Victim

# Feel exposed and humiliated

LONELY-UNICORN

**You should know that your words actually hurt.**

# Feel dissatisfied with who they are

vulnerable

Die!

difficult

disgusting

fat

cyberbullying

stupid

worthless

diet

Ugly

# Feel angry and vengeful

**If you raise you voice to me ever again,**

# Feel alone and isolated

- cutting off communication with their world

- excluded and ostracized at school
- No friends=>more bullying

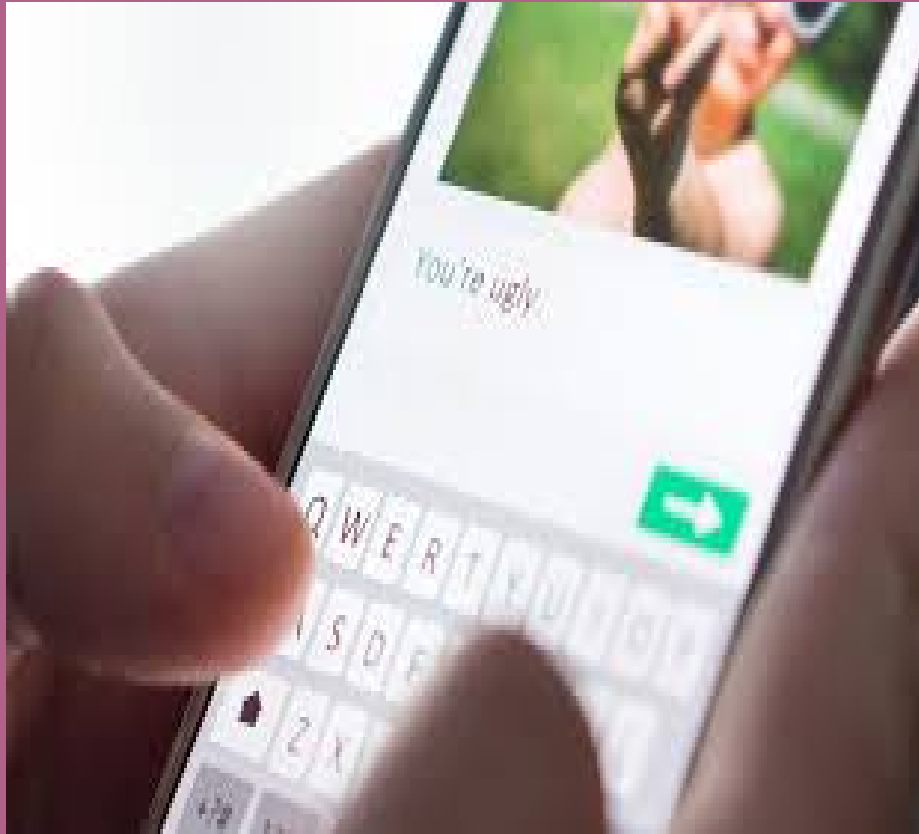

# Feel suicidal

A woman with long, straight blonde hair is shown from the chest up, looking down and to the right with a distressed expression. She appears to be crying, with her mouth slightly open and eyes closed. She is wearing a pink and white patterned shirt. The background is a kitchen with dark cabinets and a yellow wall. A digital clock in the upper left corner shows '5:07'.

OH my god, I wanna kill myself.

# Consequences for the offender

# Thank you for the attention!
