

The activity begins when you read these instructions. You may not speak with any of the other participants during the activity. Remove your shoes and place them in the middle of the room. Once all the shoes from the participants are placed in the middle of the room, your task is to arrange them in a **circle** anywhere in the room.

The activity begins when you read these instructions. You may not verbally speak with any of the other participants during the activity. Remove your shoes and place them in the middle of the room. Once all the shoes from the participants are placed in the middle of the room, your task is to arrange them **from smallest to largest** anywhere in the room.

The activity begins when you read these instructions. You may not verbally speak with any of the other participants during the activity. Remove your shoes and place them in the middle of the room. Once all the shoes from the participants are placed in the middle of the room, your task is to place all of them **near the door of the room**.
